TRADITION IS PROGRESS PRESERVED, PROGRESS IS TRADITION CONTINUED.

NIKO 1972-2012

A family business for 40 years, NIKO has been built on the twin foundations of Tradition and Progress, always heading towards a successful economic future.

QUALITY IS THE RESULT OF ATTENTION TO DETAIL.

Quality will always be a standard for us, our products, our staff and our partners.

OUR VISION

We are an international company and our goal is to be market leaders in each of our business sectors.

OUR VALUES

- ✓ We want to offer our customers the best quality at a reasonable price.
- ✓ We strive for continual improvement in our quality procedures - because we believe the company that doesn't move forward will be left behind.
- ✓ We respond to any demand on the market with the ongoing development of new products.
- ✓ We support our co-workers by ensuring they are highly motivated and well qualified.
- ✓ We want to expand into new sales markets to continue to satisfy our customers.
